Obstacles will be chosen from the list of current AAC approved obstacles.

This test is being held under the Agility Association of Canada Inc. (AAC) Rules. Exhibitors, through submission of entry, acknowledge that they are knowledgeable of the AAC Rules and Regulations, to include but not limited to the following:

- This test is open to all dogs being at least 18 months of age, including purebred and non purebred, except, dogs suffering from any deformity, injury or illness that may affect the dog's physical or mental performance, or dogs exhibiting signs of aggression towards people or other dogs.
- No food or other training aids/devices shall be permitted on the course at any time (this includes in your pockets). A non-audible toy is permitted if the Handler has declared the run For Exhibition only.
- There shall be NO REFUNDS for entries withdrawn after the closing date or in the event the dog is absent on the day of the trial, EXCEPT FOR BITCHES IN SEASON OR INJURED DOGS, and/or if the dog and/or handler are dismissed from competition, regardless of the reason for such dismissal. Any handler who is found to abuse a dog will be disqualified. No entry fee will be refunded if the trial cannot open, or be completed, by reason of riots, civil disturbance, fire, acts of God, public emergency, or any other cause beyond the control of the organizing committee.
- There will be a \$20 Admin fee applied to refunded entry fees, regardless of when the entry is withdrawn.
- All competitors participate in the events at their own risk. The General Agreement on the online entry form must be signed in order to comply with AAC's acceptance.
-

This trial will be held indoors on dirt. Safety shall always be the foremost consideration in action and conduct by handlers at all times. All dogs MUST BE ON LEASH at all times unless competing in the ring or using warm up equipment. This will be strictly enforced as the property is close to the road and there are horses on the farm. As per above, competitors participate at their own risk and no refunds shall be offered after the closing date. PLEASE NOTE: like a lot of dogsport venues, we are within earshot of a gun club. We have no control over what events they schedule, so please bear the possibility of noise during our event.

There will be no equipment familiarization on the day of the test. A warm-up area with a single jump will be provided. No other equipment or training device will be allowed to be utilized on the show grounds the day of the trial.

You must clean up after your dog and yourselves. There will be plenty of refuse containers and bags available. Anyone found not cleaning up after their dog, will be refused future entry.

A Maximum Course Time (MCT) and/or fault limit may be applied, depending on entry numbers. With the cooperation of exhibitors, by being ready at ring side, this will not always be necessary.
