PLEASE NOTE:

1) In the past, Rolling Gait Canine Centre has used rodenticides indoors and out. As of Dec 8 2025, Rolling Gait warrants that no rodenticides will be used, indoors or out, moving forward. RG also stated in early Nov 2025 that an inspection to remove all possible previously placed rodenticides has been made by multiple people.
2) RG requests that no dogs be allowed to mark on or near the fencing enclosing the fields to the right of the arena. These fields will host competitions and everyone needs to develop the habits of leaving those fences clean. Likewise, do not allow your dog to mark on any part of the building, indoors and out, nor anything humans have to handle (ie. Garbage cans etc).
3) We have a hard end time of 1 pm to finish the trial. Please be at the gate 2 dogs ahead of your run.
4) If we get a large response, we will move up the start times by 30-60 minutes.

We have no control over what events they schedule, so please bear the possibility of noise during our event.

There will be no equipment familiarization on the day of the test. A warm-up area with a single jump will be provided. No other equipment or training device will be allowed to be utilized on the show grounds the day of the trial.

You must clean up after your dog and yourselves. There will be plenty of refuse containers and bags available. Anyone found not cleaning up after their dog, will be refused future entry.

A Maximum Course Time (MCT) and/or fault limit may be applied, depending on entry numbers. With the cooperation of exhibitors, by being ready at ring side, this will not always be necessary.
